Greetings, We are Mallhaha, not a school but an online and offline platform that provides a number of services including but not limited to helping foreigners find jobs in China and helping Chinese companies and schools find the foreign talent they need for their organizations at no charge whatsoever to the prospective employees, we are the liason. We work with a number of schools, what we are going to do is share your Resume with the schools that we deem as good fits for you. However, before we can proceed we require you to send us a short self-introduction video. The self-introduction video plays an important roll in the hiring decision making process for Most schools in China as the teacher's ability to pronounce and enunciate clearly is very important to them. please send your short self intro
